the record

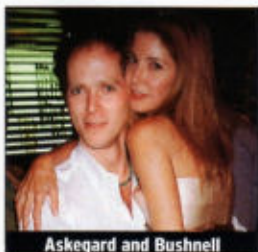

The Bratt pack grows bigger.

Expecting

Actor **Benjamin Bratt**, 39, and his wife of three months, actress **Talisa Soto**, 35, confirmed that they're expecting a baby in the winter. . . . Another *Sex and the City* baby on the way: **Cynthia Nixon**, 36, and longtime boyfriend **Danny Mozes** are expecting in late 2002. They already have a 5-year-old daughter, Samantha.

Christened

Elizabeth Hurley's son, **Damian Charles**, on July 6, at the Church of the Immaculate Conception in London. British soccer star **David Beckham**, his wife, **Victoria** (a.k.a. **Posh Spice**), and Hurley's ex, **Hugh Grant**, were all in attendance. Father **Steve Bing** was a no-show.

Askegard and Bushnell

Married

Sex and the City book author **Candace Bushnell**, 43, wed New York City Ballet dancer **Charles Askegard**, 33, on July 4. The

couple met a mere two months ago (what on earth would Charlotte think?) and had a small ceremony on Nantucket, in Massachusetts.

Engaged

ABC News correspondent **Elizabeth Vargas**, 39, will marry Grammy-winning singer **Marc Cohn**, 43, on July 20.

In Court

Friends star **Jennifer Aniston**, 33, arrived in court on July 2 with husband **Brad Pitt**, 39, prepared to take on *Celebrity Skin* magazine for printing unauthorized photos of her sunning topless in her backyard. The case was amicably resolved,

and the terms of the settlement were kept confidential. . . . Indie film star **Natasha Lyonne**, 23, pleaded guilty to drunk driving charges in Miami on June 24. The *American Pie* actress will have her license revoked for six months and will have to perform 50 hours of community service.

Spotted

Ben Affleck and newly solo **Jennifer Lopez** were seen trotting around New York's trendy

Aniston and Pitt

Tribeca neighborhood. **J. Lo**, in a tan skirt with a handkerchief hemline, and her new leading man (they costar in two upcoming films) browsed the shelves at Jin's market, then left when they couldn't find the item they needed. . . . **Jennifer Love Hewitt**,

23, and singer **John Mayer**, 25, have been hanging out at his Burbank, California, recording studio. **J. Love**, who notoriously dumped her ex-beau **Carson Daly** on *Howard Stern*, just might be the muse for Mayer's new ditty, entitled "Your Body Is a Wonderland."

Do-Gooding

A gold star to *Black Hawk Down* leading man **Josh Hartnett**, 23, who ap-

peared at a ceremony honoring 108 young recipients of the Congressional Gold Medal for community service on June 28.

In Rehab

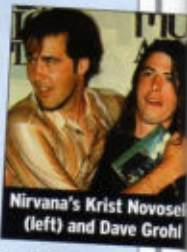

Baywatch beefcake **David Hasselhoff**, 49, checked himself into the Betty Ford Center. According to his publicist, the actor "realized his social drinking had increased more than he was comfortable with." **LARA COHEN**

No Love For Courtney

It's a good thing **Hole** broke up, since **Courtney Love**, 38, seems too busy fighting lawsuits to make it to band practice. Besides her ongoing battle with the surviving members of *Nirvana* (inset), Love is now embroiled in two other legal conflicts. The first involves a Beverly Hills home she rented in 2001. The owners say that the singer "left behind a trail of damage" and stuffed "feminine hygiene or other products into a toilet," causing a flood. *ick!* They are seeking \$50,000. The Malama Salon & Spa in Hawaii also has a beef with Love and is suing the star for refusing to pay her bill after allegedly hiring 15 spa employees to do overnight beauty duty. "We got this guy to come in and give us two massages," said Love. "They charged us \$15,000 for it. Have you ever paid \$15,000 for massage? I haven't." **LC**
